

MEDITATE ON THE WORD

Explore some of the references to the Holy Spirit in the Old Testament, the Gospels, Acts and Epistles.

- Set aside time to be with the Lord, and centre on Him, getting very quiet inside.
- Read each passage through slowly, several times, perhaps using different versions available on the Bible Gateway website.
- Ask the Lord to speak to you and record what He says.

Even if all these scriptures are very familiar, there is always new revelation to be had, so approach it with expectation...

AW Tozer said that 'what comes into our minds when we think about God is the most important thing about us'. Not only does this apply to God the Father, and God the Son, but to the Holy Spirit as well. He is not an impersonal power or force, but a living Person who wants us to *know* Him.
